TOILET FACILITIES AUTHORIZATION

Restroom and Hand Washing Requirements for Mobile Food Facilities (MFF)

An MFF which stops for more than one hour to conduct business at a single location is required by the California Retail Food Code Section 114315 to operate within 200 feet travel distance of an approved and readily available toilet and hand washing facility.

The restroom shall consist of those that are currently inspected by this Division, such as those at a retail food facility (i.e. a permitted restaurant or market). Other approved restroom and hand washing facilities may include commercial facilities that are available for inspection by this Division and that meet the following minimum requirements:

- Hand washing sinks with warm (minimum 100 degrees Fahrenheit) running water through a mixing valve;
- Permanently mounted soap dispenser with soap and paper towel dispenser with paper towels;
- Toilet facilities;
- Toilet paper available at each toilet.
