Inspection of Pneumatically Placed Concrete (Gunite/ Shotcrete) for Swimming Pools

In accordance with the requirements of California Building Code, Section 1704.4, Table 1704.4 item # 4, 5, 6, and 7, and Section 1913, a Special Inspection is required for swimming pool gunite. Please review the Inspector/Owner Certification form on the reverse side (sheet 2) of this handout. If you are involved with the construction of a swimming pool as the property owner, pool contractor, gunite subcontractor, or Special Inspector, please fill in the form as outlined carefully, and submit to the Building and Safety Division within five days after the completion of concrete placement. Additional copies of the form are available at any of our Building and Safety offices if needed.
