## NOTIFICATION OF RELEASE

### PIRU QUADRANGLE OFFICIAL MAP OF EARTHQUAKE FAULT ZONES

Prepared by the California Geological Survey  
In accordance with the  
Alquist-Priolo Earthquake Fault Zoning Act

***The California Geological Survey released the new map of the Piru Quadrangle that delineates active and potentially active fault zones in accordance with the Alquist-Priolo Act. The purpose of the Act is to reduce the hazard of surface faulting to structures for human habitation. Cities and Counties affected by the identified fault zones must regulate specified "projects" within the zones in order to locate structures for human occupancy away from the trace of active faults.***

Copies of the new Piru Quadrangle map are available from the Ventura County Public Works Agency, and the Ventura County Planning Division, 800 S. Victoria Avenue, Ventura CA 93009.

In accordance with Public Resources Code Section 2622, this notice has been posted with the following Ventura County offices: Assessor, Recorder, and Planning Commission.
