Consider District Designation for Historic Properties

The Ventura County Cultural Heritage Board (CHB) will consider designation of a Ventura County Historic District encompassing two parcels in accordance with section 1366 et seq. of Ventura County Ordinance No. 4604. The proposed Tony Duquette Historic District, focused upon the creations of nationally significant artist and designer Anthony “Tony” Duquette, includes multiple resources across two parcels under separate ownership. The proposed district represents the former home and one of the last bodies of larger-scale work by Duquette (1914-1999). The historic district boundary follows the presence of contributing resources and is situated upon, but not fully inclusive of, the following two Assessor’s Parcel Numbers (APNs): 701-0-040-100 and 701-0-040-460. The proposed district consists of the following property addresses:

- 9199 COTHARIN ROAD, MALIBU, CA, 90265 (APN 701-0-040-100)**
- 11688 COTHARIN ROAD, MALIBU, CA 90265 (APN 701-0-040-460)**

You are hereby notified of a public hearing to be held before the CHB to review this consideration. At this hearing, there may be presentations by the applicant, the property owners, and staff with an opportunity for any interested person or authorized agent to comment on the item.

Environmental Review: This application is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15308 which is consistent with a Class 8 exemption (Actions by Regulatory Agencies for Protection of the Environment).

Notice is hereby given that the Ventura County Ordinance Code authorizes the CHB to designate the above properties as a Ventura County Historic District once a notice is given to the property owner(s) and a public hearing is held on the matter.
